

30 septembre 2009

To our customers,

**SUBJECT : The new European regulation (REACH n° 1907/2006/CE)**

Dear Sir or Madam,

According to the articles 3.1 and 7.1 of regulation ATEQ SA is an downstream user, an importer or producer of articles which aren't intended to release any substances under normal use.

Therefore, ATEQ SA undertakes to take all necessary steps to make sure that its suppliers carry out the the pre-registrations of all substances contained in its products.

Following its latest investigations, ATEQ SA haven't detected any presence of Substance of Very High Concern (SVHC) listed on the last candidate list updated by ECHA on 01/01/2009.

However, ATEQ SA is remaining focus on tracking the evolution of the candidate list and is constantly exchanging with its suppliers on the REACH regulation to ensure a permanent communication down the supply chain and guarantee the supply of its products to all its customers.

If we found out the presence of any substances in our supplies with a concentration above 0,1% mass/mass , we will immediately inform you in accordance with the article 33.1 of the regulation.

We remain at your disposal for any further information.

Yours sincerely,

**Hygin KIBUANDA**
